

REMODELING LIVES ONE NEIGHBORHOOD AT A TIME

September 30, 2020

Plymouth Kiwanis Club
33762 Schoolcraft Rd.
Livonia, MI 48150

Dear Friends at Plymouth Kiwanis Club,

Seeing your donation come across my desk truly made my day! On behalf of Life Remodeled, our board of directors, staff, volunteers and the Detroit children, youth and adults we serve, THANK YOU so much for your generous gift of \$1250 on 8/28/2020. Your meaningful donation toward our mission at Life Remodeled is allowing us to do some serious good in the Detroit neighborhoods in which we serve.

This year is Life Remodeled's 10 year anniversary! Life Remodeled started in March 2010 with a handful of radically passionate friends who didn't have the experience, money or even the social capital necessary to achieve our seemingly impossible goals for our first project. The most common words used to describe us by those whom we shared our vision with were, "You are CRAZY!" However, in only one year's time from first conception of the idea, our faith and seemingly- insane ambition to "always find a way" rapidly magnetized 500 other like-minded individuals, most whom we'd never previously met, and we achieved every facet of our original vision (and more) in only 13 months.

Year after year, our projects have grown larger and increasingly "impossible." We needed more and more people who would never give up, no matter the challenges we would face... regardless of the odds. Today, we've arrived at a strategy we intend to replicate. We're the most organizationally stable we've ever been... but certainly no less crazy! Our annual goals are always nearly out of reach. Unforeseen circumstances happen. Things change, and we are not only flexible, but we find better solutions than ever before. Every day we are innovating and creating a future that doesn't yet exist.

There is always a way to accomplish the "impossible" work that you and I were created to achieve... and we celebrate YOU for believing in our mission. The success of Life Remodeled and projects like this hinge on the support of donors like you who believe in our mission and have faith in the work we do, and we are so grateful you believe in us enough to make a donation to our cause. Thank you from the bottom of our hearts for your support of our work and your continued commitment to Life Remodeled.

Sincerely,

Chris Lambert, Founder + CEO

Life Remodeled is a 501(c)(3) nonprofit organization. Your gift is tax deductible to the extent allowed by law. No goods or services were received in exchange for these contributions. EIN #27-5020487
